

STORM SUMMARY 3-22-24

A band of snow swept through the Midwest overnight. The activity was very intense for properties north of the Illinois/Wisconsin border. A winter storm warning was issued until 4 pm. Zero tolerance crews that handle regions north of I90 were out during the early morning hours prior to the start of the business day, plowing and salting services were needed. For regions south of I90 managers were onsite monitoring conditions and proceeded with services as warranted.
