

STORM SUMMARY 3-4 & 5-16

Snow spread into the area from West to East 7-9Pm. There was a 2-3 hour duration of snowfall which diminished by midnight in all areas. There was some brief drizzle and freezing drizzle prior to 3am. Pavement temperatures remained slightly above 32 while the air temperatures were in the 30-32 range. This was nothing more than a salting operation thanks to the mild ground. ORD had .8 of snow. The monthly total is 2.6 and the season total is 30.1.
