

STORM SUMMARY 2-8 & 9-18

A winter storm warning began 6pm on 2-8. Snow spread into the area during the evening period. By midnight, ORD had 1.6", Romeoville had 2.0" and Rockford 2.2". The South suburbs got dry slotted for a while during the early morning hours before the snow pushed back down into those areas after 3-5am on 2-9. While the snow eased up North of I88 by mid am, snow was moderate at times and continued South of I88 into the evening hours. Those areas actually ended up with higher storm totals. ORD had 6.2" on 2-9, Rockford 3.6", Romeoville 7.7" and Joliet 12.0'
