**7:30AM**      **Temperature: 22**

## ACTION ALERT

We are still on track for some light snow to spread into the area today into this evening. The snow may diminish and switch to freezing drizzle by 4pm and continue into this evening/early night. There is a small risk for additional freezing possible overnight tonight into early Monday morning. We will have equipment dispatched and ready for the onset of the snow for all zero tolerance properties.
