

STORM SUMMARY 12-15 & 16-19

Light snow spread in from south to north as well west to east between 8-11pm on the 15th. Snow amounts ranged from a light dusting over Lake County to mostly under an inch from Rockford to O'Hare southward to the I88 corridor and further south amounts ranged up to a couple of inches from La Salle County thru Will County. There were some 2 to 2.5 inch totals in Kankakee County. Services consisted of salting over much of the area to plowing services towards our southern region. Officially O'Hare had .3 snow, Rockford .6 and Romeoville 1"
