

Tuesday April 14, 2020

8:30 PM Temperature: 34

ACTION ALERT

A period of light accumulating snowfall is expected late tonight. A coating of snow will be possible as far north as I-88, with locally higher amounts of one to two inches possible along and south of I-80. We will have our regional managers out checking surfaces overnight especially parking garages and sidewalks; we will trigger services if conditions warrant.
